COLORADO BALLET/AUXILIARY
join the *dance*

Welcome to the 18th anniversary year of **Backstage**, a program designed for 6th, 7th, and 8th grade girls. **Backstage** will provide your daughter with the unique opportunity to connect with Colorado Ballet's professional dancers, join in social activities with her peers, participate in behind-the-scenes educational programs, and attend three Colorado Ballet performances. We will kick-off the season with a Mother/Daughter Welcome Party.

The fee for **Backstage** is \$250 which covers excellent floor level seats for **Backstage** participants to three Colorado Ballet productions, participation in all **Backstage** social and educational activities, and administrative expenses. Parents are welcome to attend the performances too! If you plan to attend all three performances, you may wish to pay the "companion fee" of \$225 to purchase tickets as part of the **Backstage** block in order to guarantee adjacent seating. Individual tickets will be available for purchase at a later date. All program fees and tickets must be paid for in advance and are not refundable.

Registration Process:

- Step 1.** A parent **must** be a member of the Colorado Ballet Auxiliary. Please complete an Auxiliary Membership Form or renew/join online at <http://www.coloradoballetaux.org/join>.
