

Let visions of your daughter as a Sugarplum dance in your head!

For more than 30 years the Colorado Ballet Auxiliary Sugarplum program has been delighting 2nd grade girls and their families through this special holiday tradition. Sugarplums enjoy months of festivities and friendships culminating with their on-stage presentation at opening night of Colorado Ballet's *The Nutcracker*. In their second year, as Sugarplum Alums, the young ladies have their moment to shine as they perform in the opening party scene of the ballet. If that isn't sweet enough, the proceeds of the Sugarplum program help Colorado Ballet bring world-class dance to Denver. Only girls who will be in 2nd grade in the fall of 2024 are eligible to apply, so don't let your little sugarplum miss this exclusive opportunity.

2024 Sugarplums

Parent Statement of Intent

1. I understand that in order for my Sugarplum applicant to be considered for the 2024 Sugarplum class I must be a current member in good standing of the Colorado Ballet Auxiliary. If I am not currently a member, I may join or renew my membership at the time of application by paying dues at Colorado Ballet Auxiliary's website (<http://coloradoballetaux.org/join/>). I understand that this application will not be considered complete until my dues payment is received.
2. I understand that the fiscal year of the Colorado Ballet Auxiliary runs from July 1st - June 30th of any given year, so if I am joining or renewing my membership at the time of application, I will be paying dues in arrears for the 2023-2024 year ending on June 30, 2024 and I will be expected to pay dues again for the 2024-2025 membership year by July 1, 2024.
3. I am fully aware that the Sugarplum program is a two year commitment, the first year as a Sugarplum and the second as a Sugarplum Alum. Further, I am aware of the financial commitment for each of the two years and will ensure that payments are made by the stated dates on the invitation should my child be accepted.
4. I am aware that the culmination of the Sugarplum program occurs at the Sugarplum Ball and on-stage presentation which occur the Friday and Saturday evenings following Thanksgiving. I am committed to participating in these events during this traditional holiday weekend.
5. I understand that family participation in Sugarplum events is vital to the success of the program. In addition to my financial contribution I will volunteer my time and talents to assist with the execution of the program.
6. As a participant, I am aware that we face ongoing COVID public health issues and Colorado Ballet's priority is to keep dancers and audiences safe. To that effect, they have instituted policies and procedures that may impact the portions of the program that involve the presentation or stage performances.
